**Terms & Conditions**

Offer applies to eligible novated lease transactions on selected new DENZA MY26, 2025 Build B5 and B5 Leopard vehicles in **Eclipse Black or Granite Grey exterior paint with Slate Grey interior**, while stocks last.

Advertised novated lease pricing and/or repayments are based on the specified vehicle, colour and interior combinations and the assumptions used in the supplied novated lease calculation. **Actual pricing, repayments and savings may vary depending on individual circumstances**, including salary, tax rate, lease term, annual kilometres travelled, vehicle usage, employer requirements, applicable fees and charges, and the novated lease provider selected.

Other exterior/interior colour combinations and **2026 Build vehicles are not included in the advertised offer** but may be available through the DENZA dealer network and are subject to individual quotation, vehicle availability and applicable pricing.

Offer applies to eligible vehicles **sold and delivered between 4 September 2026 and 30 November 2026 inclusive,** unless extended, varied or withdrawn earlier. Offer is subject to vehicle availability and may end earlier if allocated stock is exhausted.

Novated leasing is subject to eligibility, employer participation and the terms, conditions and approval requirements of the relevant novated lease provider. Customers should consider whether a novated lease is appropriate for their individual circumstances and seek independent financial and taxation advice where appropriate.

Vehicle availability may vary by DENZA dealer and location. Additional costs, optional accessories, dealer-fitted options and other charges may apply and are not included unless expressly stated in the supplied quotation.

DENZA reserves the right to vary, extend or withdraw the offer at any time, subject to applicable law.
